I was the  
only one  
left alone.

When we  
were deciding  
the groups for  
the field trip in  
middle school,

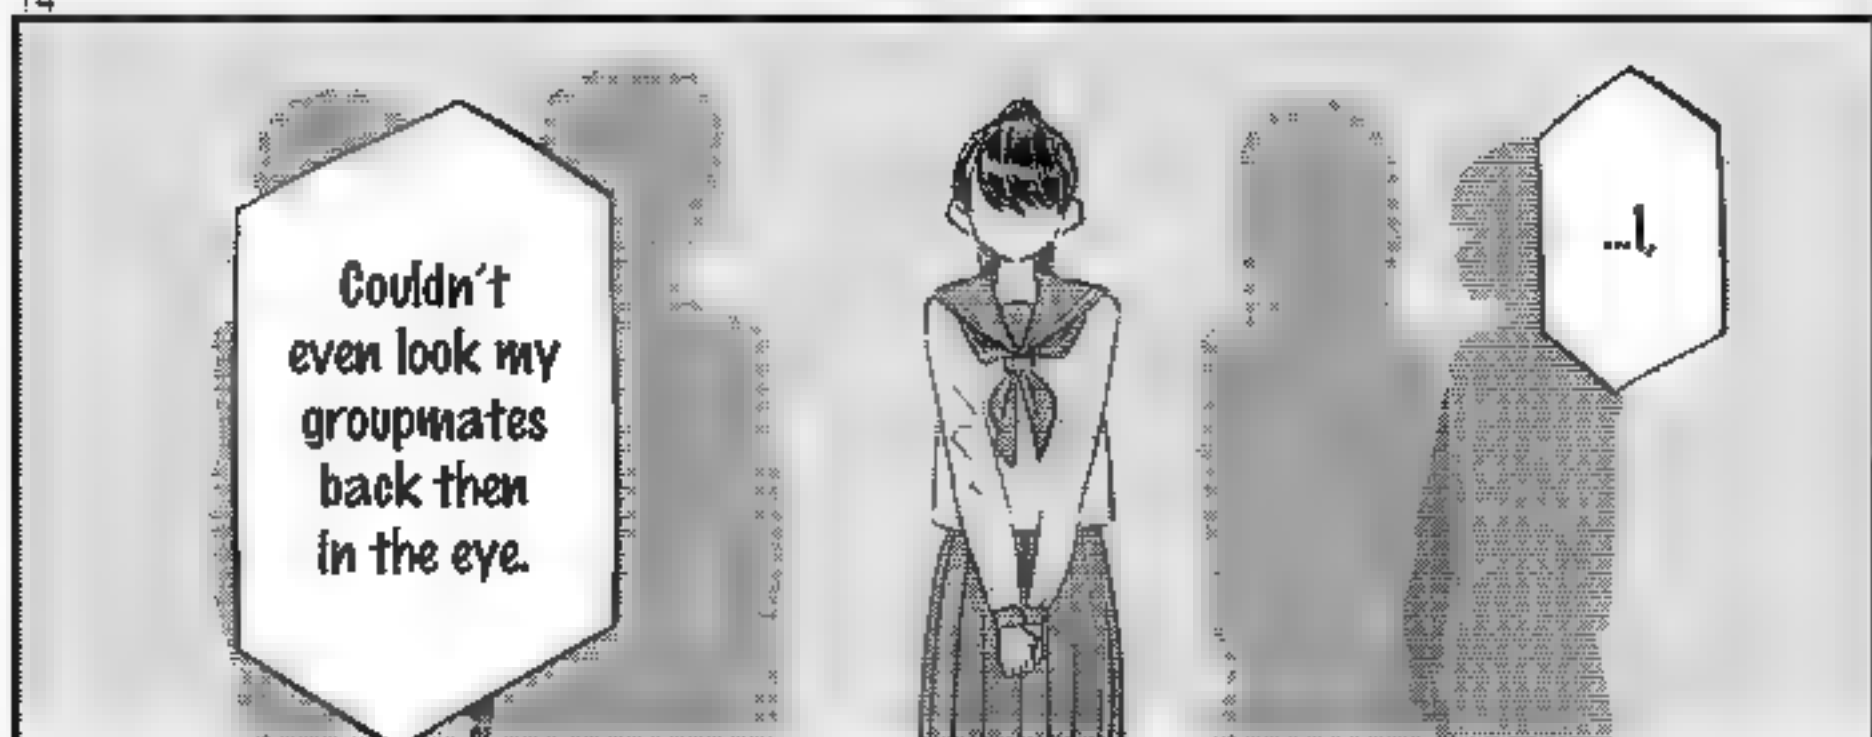

And at that  
time, I never  
had any means  
to express my  
own thoughts.

Of course.  
At that time,  
I never had  
someone close  
that I could call  
a friend,

And I joined  
the group  
that was  
left.

Then they  
began playing  
rock paper  
scissors,

Couldn't  
even look my  
groupmates  
back then  
in the eye.

...I,

WELL,  
IF THINGS  
DO TURN OUT  
THAT WAY,

THEN  
HOW ABOUT  
WE BOTH SKIP  
THE FIELD  
TRIP?
